

## **ARCHITECTURAL ASSOCIATE**

JLA Architects is a small, but growing, full-service Architectural Firm with offices in both Madison & Milwaukee, Wisconsin. We work on a variety of project types throughout Wisconsin – with the goal of expanding into new market segments – both geographically and by project type. We have a fast-paced, team-oriented atmosphere and encourage the professional growth of our team. We place a strong emphasis on Client service & satisfaction – placing it as our top priority. We are currently searching for the 'right' enthusiastic & dedicated person to join our team full-time as an Architectural Associate in both our Madison & Milwaukee offices.

### **Position Summary:**

As an Architectural Associate, your responsibilities will only be limited by your ability & your desire. However, the main responsibility of this position will be to provide technical support to your Project Team(s) for a variety of project types & sizes. An Architectural Associate will take direction from a Project Architect and/or Project Manager and will typically work on projects in the Construction Document Phase. Additional responsibilities may include project support in the Design & Construction Administration Phases as well as Marketing & General Office Operations. The expected workload would be between 40-45 hours per week. Some infrequent travel to Milwaukee/Madison may be required. Specific functions & responsibilities of an Architectural Associate include, but are not limited to, the following:

### **Typical Project Responsibilities:**

- Assist with the production of Construction Documents under the direction of a Project Architect and/or Project Manager;
- Assist with reviewing & coordinating consultant documents;
- Perform & document code reviews & analysis;
- Assist with the coordination & submittal of plan review packages;
- Assist with preparing presentation materials;
- Assist the Project Architect and/or Project Manager with various Construction Administration tasks;
- Observe internal & external meetings & produce meeting minutes;
- Limited communication with Clients, Consultants, Contractors, etc.;
- Perform other project-related duties as required and assigned.

### **Additional Administration & Operation Responsibilities:**

- Answer phone calls & greet visitors;
- Maintain general office organization & order;
- Perform miscellaneous business-related errands;
- Perform other operational-related duties as required and assigned.

### **Additional Marketing Responsibilities:**

- Assist with preparing various marketing materials;
- Assist with marketing-related photography;
- Perform other marketing-related duties as required and assigned.

### **Miscellaneous Responsibilities:**

- Be responsible, respectful, & professional. Perform with a high level of integrity;
- Critically think about everything that is done – as to why is it done and how it is best done;
- Learn from others in the office and from every task that is performed;
- Share your knowledge with others in the office – everyone has something to share;
- Take pride in every task that is done – to do it efficiently, completely, accurately, and professionally.

Qualifications:

The ideal person for this position would have the qualities, skills, and knowledge listed below.

- Typically 0-5 years of experience at an architectural firm.
- The understanding that our clients are our lifeblood and that client satisfaction is our greatest priority.
- The ability & desire to work in a fast-paced, multi-tasking environment - while maintaining a keen attention to detail.
- The ability to prioritize & execute a variety of tasks within a single project and across multiple projects.
- A great attitude, great work ethic, and NO inflated ego.
- Substantial experience/knowledge with both Revit and AutoCAD Architectural Software.
- Experience with Sketch-Up software;
- Experience with Microsoft Office Suite Software;
- Experience with Adobe Suite Software;

Compensation & Benefits:

- Salary shall be market-rate, commensurate with experience, skills, and knowledge;
- Benefits include Paid Time Off, Health Plan, Dental Plan, 401K Plan, Long-Term Disability Plan;
- Standard Holidays + Bonus Time Off;
- Family-oriented, flexible schedule;
- Team-oriented, relaxed (but professional) work environment/culture.
- This position may lead to a promotion to Project Assistant or Project Architect.
